3.0 AGM Preparation

Updates on volunteers for Committee roles were discussed, plus the process for completing the slide deck for the AGM.

JM confirmed there had not yet been an update from GLL on any possible price increases so he would convey possible scenarios and options to the AGM.

JM also reported that British Canoeing had offered business development support from John Oates and that we would be having an initial meeting to scope out what would be helpful for the Club. JM would inform members of this at the AGM.

PP advised that there had been no further progress with LV in trying to arrange a Christmas event for the Club.

There being no other business, the meeting was brought to a close.
